Ad Valorem Taxes

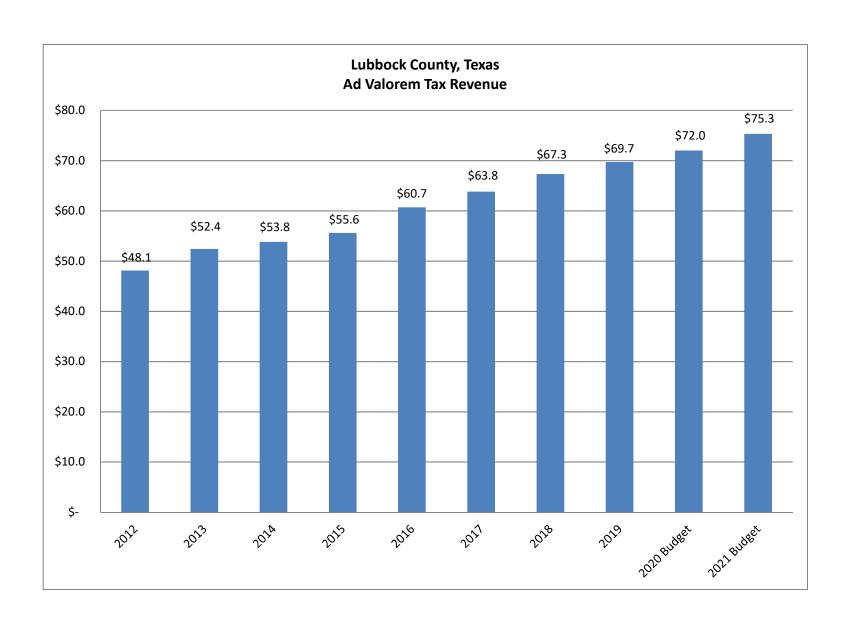

The 2021 budget includes ad valorem tax revenue in the amount of \$75,396,337 or 31% of all revenue. The following factors are considered: (1) the tax base increased by an average of 5.86% or \$1,117,165,265 to an adjusted taxable valuation of \$20,193,574,255. The tax rate was \$0.339978 per \$100 valuation in 2020 and Commissioners' Court has adopted \$0.339978 per \$100 valuation in fiscal year 2021. (2) New property added to the tax roll provides approximately \$2,000,381 in additional revenues. (3)"Truth in Taxation" law establishes guidelines for government entities to follow when setting tax rates. The effective tax rate was derived from the prior year total tax levy, and is adjusted for current year changes in existing property valuation and lost property from the tax roll.

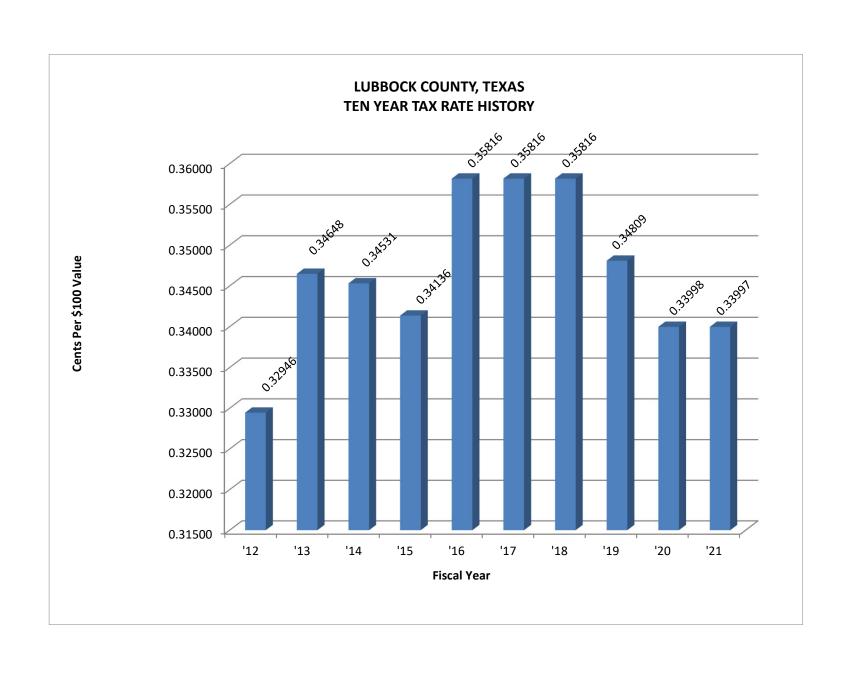

Property taxes are levied by October 1 on the assessed value listed as of the prior January 1 for all real and business personal property in conformity with Texas Property Code. Taxes are due on receipt of the tax bill and are delinquent if not paid by February 1 of the year following the year in which imposed. On January 1 of each year, a tax lien is attached to property to secure the payment of all taxes, penalties, and interest ultimately imposed.

Lubbock County maintains a high collection of property tax. Historically, tax collections total approximately 99% of the tax levy. The County encourages the Lubbock Central Appraisal District (LCAD) to follow an aggressive policy of collecting property tax revenues.

Sales and Use Tax

A sales and use tax of one-half of one percent, which is collected by the State of Texas, was approved by voters of Lubbock County and went into effect on January 1, 1988. This tax is imposed on the value of taxable items sold and is enforced and collected by the Comptroller of Public Accounts of the State of Texas. Proceeds are remitted monthly less a small service fee. The proceeds are credited to the General Fund. The tax is used to fund operations, which helps defray county property tax. Actual county sales and use tax received in FY 2019 was \$26,378,687. Budgeted county sales tax for the 2021 budget increased by \$712,386 from \$27,378,500 in the 2020 budget to \$28,090,886 in the 2021 budget. Sales and use tax revenue accounts for approximately 11% of all Lubbock County revenue.

Intergovernmental Revenues

Intergovernmental revenues are revenues received from other units of government, including grant revenues. As of the beginning of FY 2021, Lubbock County anticipates that this revenue source will make up about 7.0% of total budgeted revenue. In special circumstances, the County may receive one-time funding from other governmental entities and this revenue source is used to account for those special funds. There are no increases in 2021 in this type of revenue.
