Addendum #1
ITB Number 190501
Fire Extinguisher Services

1. **Please replace the Bid Table with the attached Revised Bid Table.**
2. The following is provided in response to submitted questions:
 - A. I would like a clarification of what is meant by "K" 2lb "K" 5lb "K" 10lb "K" 20lb? The only "K" class extinguisher I am familiar with is the kitchen class, but they aren't classified by pound, they are 2.5 gal and 6 liter. Or is it a Purple K extinguisher.

Answer: The K class extinguishers are kitchen class.
