

How to Obtain a Military Status Report

1. Go to the SCRA Website: <https://scra.dmdc.osd.mil/scra#/home>

There is a shortcut tab for this site on the two Pro Se computers in the Law Library (3rd Floor Annex).

Please note for a single record request regarding your specified individual, a SSN is NOT REQUIRED. Providing additional details such as First Name, Middle Name, -OR- SSN, if already known, will increase the accuracy of the match. If birthdate is entered, use the following format MM/DD/YYYY. If date of birth is not known, enter today's date. The birthdate field should now have a checkmark on the right side. No dates before January 1, 1900, and no future dates are allowed. If you receive a red error message as you fill in your information, sometimes removing punctuation will resolve the issue.

- FYI: Without a Social Security Number or correct date of birth, DMDC cannot authoritatively assert that this is the same individual that your query refers to. Name and date of birth alone do not uniquely identify an individual.
